PUBLIC UTILITIES OPERATIONS
3500 DAM NECK ROAD
VIRGINIA BEACH, VA 23453-9817

July 17, 2019

NOTICE!!

TO: City of Virginia Beach Residents and Businesses

SUBJECT: PS-654 Little Island Park Pump Station, Gravity Sewer, and Force Main Project (CIP 6.041.000 & 6.070.000)

The Department of Public Utilities (DPU) has contracted with Trident Civil to perform utility improvements along Sandpiper Road and at Little Island Park (refer to the attached map). This project includes the construction of a new sanitary pump station (#654) at Little Island Park, gravity collection system from White Cap Lane to Little Island Park, and force main along Sandpiper Road from Little Island Park to the pump station located just south of Sandpiper Road and Pike Lane. This project is necessary to fix defects in the public infrastructure and to ensure compliance with state and federal regulations.

Construction is scheduled to begin early-September 2019 and is planned to be completed by May 2020; weather permitting. Normal working hours will be from 7 a.m.-7 p.m. Monday through Friday and 9 a.m.-7 p.m. Saturdays for pump station site work. Sandpiper Road work hours will be from 8 a.m.-5 p.m. Saturdays for pipe installation

During construction, the Contractor will be staging material and equipment in the City right-of-way. There will be noise, traffic disruptions, and dust during construction. Please understand that every effort will be made to minimize any inconvenience. Areas impacted by construction will be restored back to its original pre-construction condition by project completion.

If you have any concerns during construction please contact the following individuals:

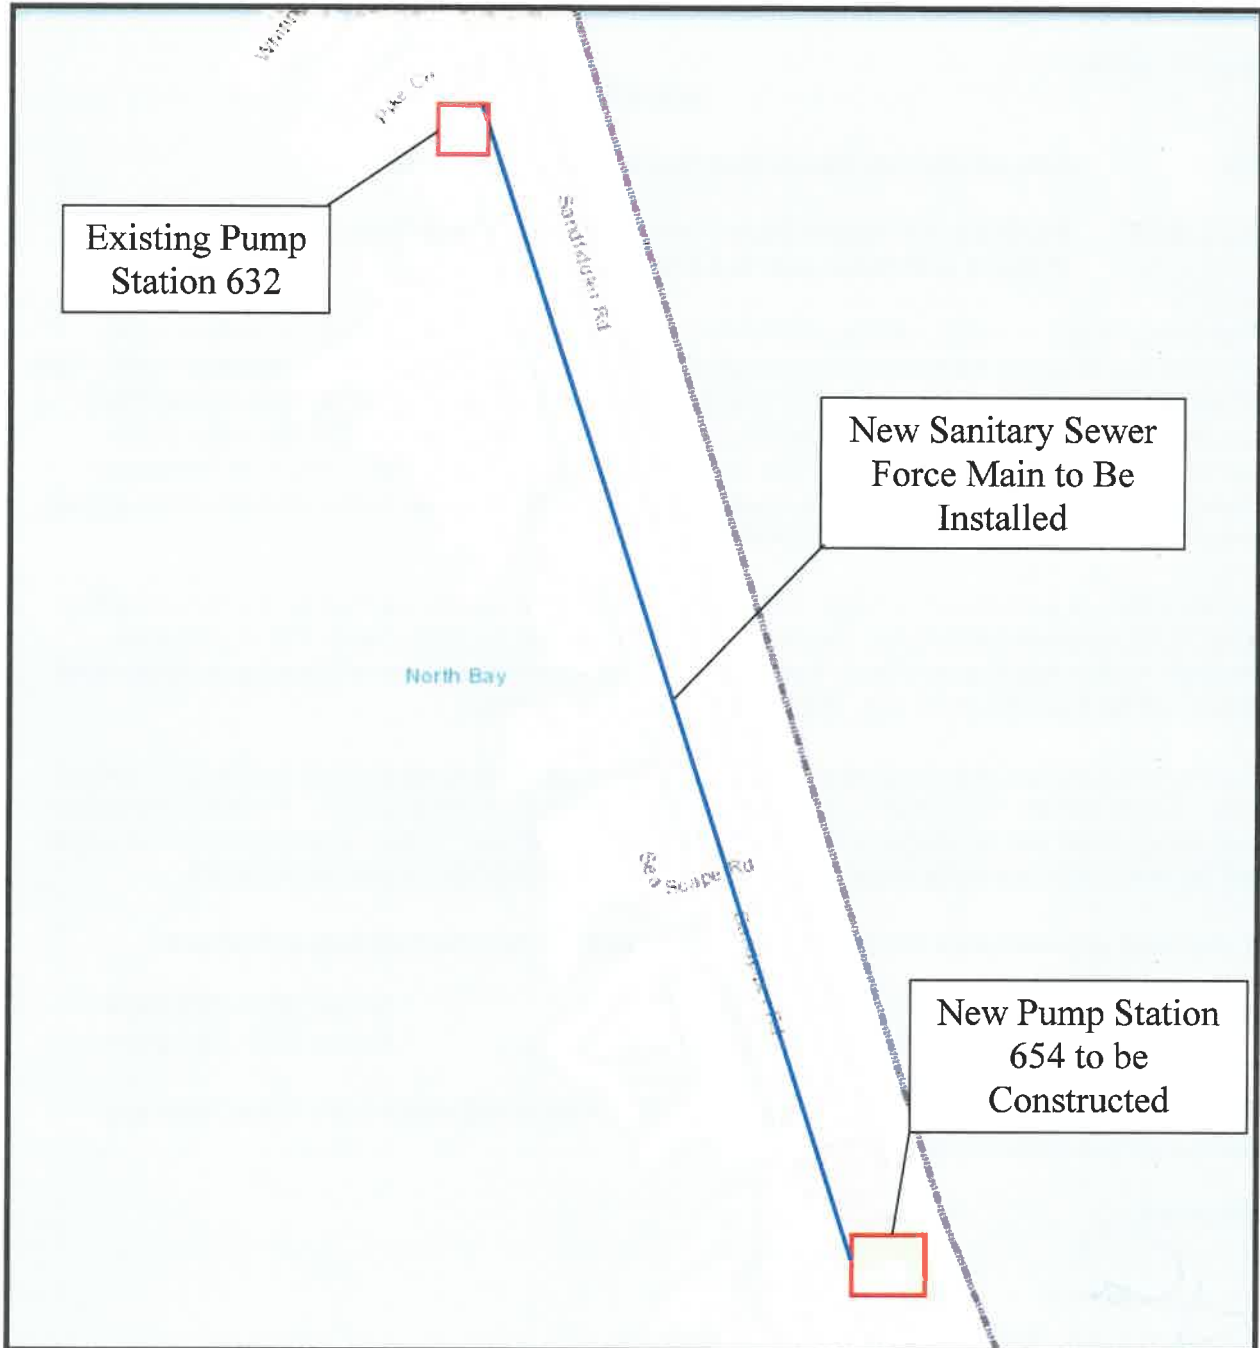

Contractor:	Trident Civil	Phone (757) 393-5904
Public Utilities Inspector:	Wilson Woodhouse	Phone (757) 641-2361

Please contact me at 757-385-4735 or by email at nnavarro@vb.gov, if you have any additional questions regarding the project.

Sincerely,

Nelson Navarro, P.E.
Project Manager
